Work History

Mid-Lakes Navigation Co.

Skaneateles, NY

Deckhand: Boat maintenance (both on and off season), light and heavy cleaning, food preparation and table service, enhanced customer service, problem solving.

Tree Cutting and Landscaping

Central New York

Operated chainsaws, mowers and other equipment. Basic gardening and landscaping.

Kinney Drugs

Elbridge, NY

Photo Lab Tech and Floor Stock: Customer service, worked register, inventory and stock, answering phones, photo lab cleaning, general store cleaning.

Assistant Silversmith

Jordan, NY

Work within the part-time family business. Use of hand tools, chemicals and torches to create custom jewelry. Continuing to maintain personal and professional relationships with many customers and families in both the short and long term.

Volunteer Work

Volunteered at ENABLE, in Syracuse, NY under Donald Meixner to help build wheel chair ramps for physically disabled persons. During which I used hand and power tools (chop saws, table saws, pneumatic nail guns, hammers, levels, etc.).

Volunteers time at the Village of Jordan Office to help with minor office work; putting stamps on envelopes, folding letters, errands in town, etc.
